

# カタカムナを詠む

空間の体に向かって  
言霊を唱え同時に  
形をイメージすることは  
ただウタヒをよむことよりも  
数倍効果的なんだよね

A simple line drawing of a baby. The baby has a round head with a small crown on top. It has two small dots for eyes and a simple curved line for a smile. The baby is wearing a short-sleeved dress and has its hands clasped together in front of its chest in a prayer-like gesture.

A black and white line drawing of a man with glasses and a mustache, wearing a white shirt with buttons. The man has a friendly expression with a slight smile. His hair is dark and messy. The drawing is simple, using only outlines and minimal shading.
